

Where Smart Technology Meets  
**Powerful Energy**

TUBULAR | AUTOMOTIVE | SOLAR BATTERIES

## ABOUT US

Sparco Batteries is a key Manufacturer and Supplier of Battery, Tubular Battery, Automotive Battery, Two Wheeler Battery, Solar Battery, Battery Plates, etc. We have been following to the methodical approach for professionally serving the needs of the patrons with flawless, hard-wearing and dimensional accurate products.

Established in the year 1965, we have been offering efficient product line in customized designs and specifications to meet the exact preferences of the patrons within a committed time frame. Our two modern production units help us to design flawless range in bulk with utmost precision. With market credibility, financial stability as well as matchless resources, we have been successfully offering complete satisfaction to the patrons.

Our responsive communications and easy payment facilities have enabled us to attain a reputed position in India

## QUALITY POLICY

Serving the needs of battery with complete client satisfaction, we have become the preferred choice of the clients. We have been adhering to the strict quality policy to establish a strong foothold in the market. We have been offering unmatched range of products designed from the quality approved raw materials. Our talented team of quality controllers conducts stringent quality checks from the initial procurement stage to the final delivery.

## AUTOMOTIVE SERIES

MODEL	CAPACITY (AH)	CONTAINER
SB-40Z	35	N-40
40BH20L	38	N-40BH
55B24L	45	N-60
SB-700Z	65	N-50
SB-750Z	75	N-50
SB-800Z	80	N-70
SB-900Z	90	N-70
SB-950	95	N-100
SB-1100	110	N-100

MODEL	CAPACITY (AH)	CONTAINER
SB-13000	120	N-120
SB-13500	135	N-150
SB-15000	150	N-150
90D23L	68	90D23L BH
DIN-50	50	DIN-44
DIN-60	60	DIN-55
DIN-74	74	DIN-66
DIN-100	105	DIN-88

## TUBULAR SERIES

MODEL	CAPACITY (AH @ C20)	CONTAINER
SB-14000T	135	N-150
SB-15000T	150	N-150J
SB-18000TJ	165	N-200J
SB-22000TJ	200	N-200J
SB-25000TJ	240	N-200J
SB-18000TT	150	IT 500
SB-20000TT	180	IT 500
SB-21000TT	200	IT 500
SB-22000TT	210	IT 500
SB-25000TT	240	IT 500

## SOLAR SERIES

MODEL	CAPACITY (AH @ C10)	CONTAINER
SB-20ST	20	N-50
SB-40ST	40	N-100
SB-75ST	75	N-150
SB-100ST	100	IT 500
SB-120ST	120	IT 500
SB-150ST	150	IT 500
SB-180ST	180	IT 500
SB-200ST	200	IT 500

## FEATURES

- Low Maintenance & High Performance
- New Improved Grid Design.
- High Purity Lead Oxide for Active material.
- New Long Life Separators.
- Quick recovery from Deep Sulphation.
- New Aesthetic & Durable Container.

## Our Global Presence

Africa, Nigeria, Turkey, Yemen, UAE and more

## Our Domestic Presence

Bihar | M. P | Haryana  
Punjab | Maharashtra  
Uttar Pradesh | J&K  
Delhi | Rajasthan
